

RH-ISAC Summit Online Platform Tips

The RH-ISAC Cyber Intelligence Summit will be held online! Utilizing [Pathable](#), a virtual event platform, registrants will be prompted to create an account, curate a RH-ISAC Summit schedule that fits your interests, add customize your profile by adding a headshot, information about you, and more! Attendees will have several opportunities throughout the summit to win prizes, including earning points based on participation. The platform will help you stay organized, network, and even browse sponsors booths and hear about exclusive offers during sponsor tradeshow!

As part of the online RH-ISAC Summit experience, both attendees and sponsors can request 1:1 meetings and send private messages. We encourage you to take meetings with sponsors, members, and other attendees; however, this is not a requirement. If you feel that you are being overly reached out to by a particular individual or organization, please email events@rhisac.org and let us know.

Getting Started

You will gain access the online platform one week before the RH-ISAC Summit, and you'll have a full year after the event to watch any sessions you missed, or re-watch ones that were relevant to you and your team.

Tips to Get Started

- 1. Login and set up your profile:** After receiving an invitation from Pathable (subject: RH-ISAC Summit Online Platform Registration Information), please follow the link to edit your profile - you can upload a photo, add information about you, select interest areas and any additional contact information. If you are having any issues, check the [Pathable system requirements](#).
- 2. Set up your schedule:** Use the navigation bar on the top of the page to check out the site. Look at the agenda and start saving sessions you want to attend to 'my agenda'. Make sure to watch the [Pathable attendee experience overview](#) for tips, platform capabilities, and features.
- 3. Earn points by participation:** Check out the 'leaderboard' tab and see what actions earn points! This section will be updated in real time to showcase the top contenders. At the end of the Summit, the individuals with the most points will win prizes.
- 4. Interact with solution providers:** Navigate to the 'Sponsors' tab to view our 2021 sponsors. Each virtual booth allows you to view handouts, watch videos, and learn about special offers. You can ask questions in the general discussion or by requesting more information. During official Tradeshow, you will also have the option to 'enter the booth' which places you in a Zoom room with sponsor delegates. Please give them a shoutout or send them a thank you message, this event wouldn't be possible without their support!
- 5. Connect with friends and colleagues:** Browse through the attendee list, request meetings, and send messages. Here is a how-to on [requesting private meetings](#).
- 6. Start a discussion:** Interested in starting a discussion about something? Check out the [Conversations](#) tab on the toolbar. You can also browse and contribute to other ongoing discussions. Any requests or messages you receive will also be listed under this tab.

How to Watch Sessions

We've made it easy! On the online platform, you just have to click "play" to join a presentation. During these sessions, you will be able to see the speakers, but they will not see you. You can ask questions to speakers, see responses to questions, and chat with other attendees. The RH-ISAC Summit will have some interactive discussions, including Open Forums, that require you to have the [Zoom app downloaded](#). In these Zoom sessions you will be able to talk, see, and interact with other attendees.

TIP: Add sessions you plan to attend to your Agenda to schedule out your day and secure your spot at sessions that have attendance caps! To watch a "how-to" video, please [click here](#).

To ensure that you have an optimal conference experience, we highly recommend you have the Zoom app downloaded on your computer. If you need help downloading the Zoom app, please [click here](#).

Networking and Attendee Interaction

Conversations: To start or join a text-based conversation with other attendees, simply click 'conversations' in the navigation bar. You can begin a new conversation or comment on ongoing chats.

Send Message: You can send a private message to any fellow attendee, speaker or sponsor within Pathable. Simply find them in the '[Attendee](#)' tab, click the three dots at the top right and click 'send message'.

Schedule Meeting: Interested in setting up a private meeting with another attendee? You can request a meeting by finding the attendee in the 'Attendee' tab, then clicking the three dots just to the right of the individual's name, and clicking 'schedule meeting'. You can add additional people, choose your suggested time and click send. A note is sent to the invitees and an event is created in 'My Agenda'. To attend the meeting, simply find it in your agenda and click 'join meeting'.

Conversations with Sponsors: At any time, you are able to click 'sponsors' and browse through the information about our sponsoring companies. During official Sponsor Tradeshow sessions, you have the opportunity to 'enter the virtual exhibit booth' and speak face-to-face with the company's representatives. Simply click into the booth from the [Sponsor Booth](#) tab (under Sponsors) and click 'enter the virtual booth'. This will prompt the opening of a zoom window for your conversation.

RH-ISAC Tips for Your Conference Experience

1. **Create your schedule** for the day by selecting what events you want to attend from the [Agenda](#) page.
2. **Earn points for participation** – every time you join a session, engage with a presenter, or schedule a 1:1 networking meeting, you'll earn points! The individuals with the most points will win some great prizes, including a Luxury Vacation Getaway to Tropical Key West!
3. **Connect and network with attendees, presenters, sponsors, and more!** Start a conversation with other attendees in the conversations bar, request to meet with an attendee, send a private message, or schedule a meeting. You can do it all at the RH-ISAC Summit!
4. **Interact with solution providers** relevant to you and your team. We'll have virtual booths set up that will allow you to view special offers from vendors and ask them tough questions about their platforms and products.
